

Rewards Card

Reward your staff, clients or customers the easy way with our loadable electronic Rewards Card.

Ideal for larger rewards programmes – whether they’re one-offs or ongoing, it’s designed to give you as much or as little flexibility as you want. Plus, you can create your own branded card or choose our off-the-shelf designs, pre-load them with different amounts as required and even top them up for ongoing ‘earned’ rewards.

Other reward types	Ideal if you want
Giftcards and Vouchers	to offer choice and convenience to recipients
Product Specific Vouchers	a more effective fulfilment solution for Argos products
Merchandise	to issue tangible products as the end reward
Rewardbox™	a bespoke solution, especially good for larger companies requiring longer-term programmes
